

NOTICE TO BIDDERS

The City of Keokuk is seeking a qualified environmental consulting firm to provide environmental cleanup services related to a United States Environmental Protection Agency (EPA) Site-Specific Cleanup Grant for Brownfields awarded to the City as part of the U.S. EPA Brownfields Grant Competition for Fiscal Year 2023. The primary purpose of this grant is to carry out site-specific cleanup activities on 365 Carbide Lane LLC (also addressed as Elkem site) to get the property through the Iowa DNR Land Recycling Program (LRP). The purpose of enrolling in this program is to get the entire site or parts of the site to 'No Further Action' status to allow for redevelopment opportunities.

Additional information about this cleanup grant, a scope of work, and submittal requirements for the request for proposal is available at: <https://cityofkeokuk.org/bids-rfps-and-quotes/>

All proposals must be delivered no later than **Friday, January 19th by 5:00 P.M.** at: atiwari@seirpc.com. Please direct all questions or requests for additional information to Kansha Tiwari at atiwari@seirpc.com
