

A tall, weathered stone obelisk stands prominently in the foreground of a cemetery. The obelisk is made of light-colored stone and shows signs of age and wear. In the background, other various gravestones and headstones are visible, set against a clear blue sky and some trees. The overall scene is a peaceful cemetery setting.

TOMBSTONE TUNE-UP

**Saturday,
April 20, 2024
8:00 AM - Noon
Oakland Cemetery
(Rain Date: April 27)**
